

Japanese Cruiser Arrives At Kahului

The Japanese cruiser Tokiwa, Captain Yoshihiro Morimoto, arrived in Kahului harbor Wednesday morning from Hilo. She had been expected for some days, but owing to war censorship nothing definite as to the exact time was known. The news soon spread, however, after the arrival of the vessel and soon Japanese in large numbers began to gather at the bay front to see the craft.

A few hours were spent in "cleaning ship," after which officers and men were given shore leave and began to scatter around through Kahului, Wailuku and other towns.

Yesterday Captain Morimoto and his officers kept "open house" to visitors. Hundreds of Japanese and many whites and Hawaiians inspected the ship, all being courteously received and shown over the trim craft.

The Tokiwa has been in Hawaiian waters about a month. She came here at the time Japan promised to "keep the Pacific peaceful," her duty being to protect American and other shipping from hostile craft. It is stated that while in these waters her movements are being directed by the American navy department.

Fine, New Theater Planned For Kahului

Kahului is to have a splendid, new theater to take the place of the old Lyceum. Preliminary work on it has already begun and the actual work of construction will soon start.

In place of fronting straight on the Main street, the new play house will start from the corner and run toward the middle of the imaginary block. There will be three entrances, one at the front and one on each side, all leading directly into streets.

The building will be of concrete and fireproof. It will be put up by the Kahului Railroad Co., and run by it. It will be larger than the old Lyceum, having a seating capacity of 900, in place of 600 or less. There will be a stage for the production of theatricals of every kind and the house will be nicely furnished and equipped in the most modern fashion.

The first cost of the building will be in the neighborhood of \$16,000.

Track Meet Planned For Christmas Day

An All-Maui track meet will be held under the auspices of the athletic committee of the Maui County Fair & Racing Association on Christmas Day at the base ball park at Wailuku. Four teams are competing—American Athletic Club, Kahului, Wailuku and Lahaina.

There are ten events to be participated in: 50 yd. dash, 100 yd. dash, 200 yd. dash, 440 yd. run, 880 yd. run, shot put, running broad jump, standing broad jump, high jump and pole vault. A cup will be awarded to the winning team.

Much interest is being manifested in the affair and it is anticipated that the attendance upon the meet will be very large.

Plans For Drive Of The Red Cross

A meeting was held in the Baldwin Bank, at Kahului, last Saturday at which organization for the Red Cross drive, to begin next Tuesday, was perfected. Mr. Al. Castle, of Honolulu, was present. Mrs. F. F. Baldwin, chairman, and Mrs. H. W. Rice, treasurer, represented the Maui auxiliary.

For the "drive," H. W. Rice was appointed campaign manager; D. C. Lindsay, secretary and F. F. Baldwin, E. R. Bevins and H. D. Sloggett, directors.

Plans were laid out for an energetic campaign.

On Monday active work began, captains being named in the various districts, as follows: W. L. Decota, Lahaina; Clem Crowell, Wailuku; C. C. Campbell, Punahoa; H. D. Sloggett, Paia and Haiku; and Wm. Walsh, Kahului.

Violators Of Auto Light Ordinance

More violators of the ordinance relating to improper lighting of automobiles have been taken in by the police. In most instances (if not, indeed, all) carelessness brought on the trouble, there probably being no desire to break the regulations. The following forfeited bail:

David Rattray, \$5; Arakawa, \$5; Kojia, \$5; Fujimura, \$5. Nolle prosequi was entered in one case. Watson, whose case was more aggravating, paid \$10.

An auto case of another kind was that of Cho Yau Gun, who was arrested for transferring a machine without giving notice to the sheriff. He was fined \$5.

The police are finding fewer violations of the law since the campaign against such began a few weeks ago, showing that the crusade is having a salutary effect.

Colonel McCarthy A Maui Visitor

Colonel Chas. J. McCarthy, Territorial treasurer, arrived on Maui Friday night, spent Saturday, Sunday and Monday and returned to the city Monday night. He was accompanied to Wailuku by Manley G. K. Hopkins, Territorial auditor.

The treasurer and auditor came here to attend a meeting of the commission on delinquent taxes. Most of this work was finished up on Saturday, items of detail only being left over to Monday. It was decided to wipe a number of accounts from the books, the parties having left the country, or died; and in other cases suits will be brought.

While here Colonel McCarthy had a very pleasant visit to the home of his daughter and son-in-law, Mr. and Mrs. Burns.

Banquet To Officers Of Japanese Cruiser

(Continued from Page One.)

tions drew forth rounds of applause and cheers.

"Banzais" were given for Captain Morimoto and his officers and by the visitors and local Japanese for American citizens.

The general committee, having in charge entertainments in honor of the Tokiwa, consisted of J. Konda, chairman; J. Onishi, J. Fujiyoshi and J. Kuwahara.

The banquet committee consisted of the following: J. Konda, chairman; Dr. Ohata, M. Kawahara, N. Otsuka, D. Akimori, T. Mori and Mr. Takamoto.

After the last "banzai" there was leave-taking and the captain and officers of the Tokiwa proceeded directly to their ship.

The Tokiwa weighed anchor at 6 o'clock this morning and proceeded around the island to Lahaina where a big reception and banquet are being held. Many prominent Japanese from Central Maui have gone over there to participate and assist in the functions.

At this writing it is expected that the cruiser will get away from Lahaina during the night or early tomorrow morning for Honolulu.
